**2. About your proposal (please feel free to add extra sheets if necessary)**

Proposal title: NEW FOSSILS HOLIDAY ADVENTURE

Tell us about your proposal - What will be done, who will do it, where will it take place, how long will it run for, how do you know that it is needed?

We meet every week with each other and though out the year we access a range of community opportunities for us to go to as a group. Most of these activities are free and we are supported by community/voluntary groups to get us there and have the best experience possible with limited funds we have. As part of our discussion everyone raises the issues about trying to get access to a few days away together as a group. The cost of this adventure is something that we have never had the opportunity to access funding to do. We would like to put forward a proposal that allows us to go away as a group and allow us all the opportunity to take part in a range of things together. This would allow us to support each other and allow the young people to share a break away with others in the group

Who in Calton Ward will benefit, and how?

The group membership is made up of people in Parkhead Dalmarnock and Bridgeton

Start date: July 2019 End date: August 2019
